Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

| Problem Statement (PS) | I am (Customer) | I'm trying to | But | Because | Which makes me feel |
|------------------------|-----------------|---------------|-----|---------|---------------------|
|------------------------|-----------------|---------------|-----|---------|---------------------|

| | | | | | |
|------|----------|-----------------------------------|---|--|--|
| PS-1 | Customer | To find the type of liver disease | I can't find the type of liver disease I'm affected | There is no facility to find the type of liver disease | Unsatisfied with the prediction result |
|------|----------|-----------------------------------|---|--|--|

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

| | | | | | |
|------|----------|---|---|---|--|
| PS-2 | Customer | Find the best suggestion /treatment in application module | There is no better suggestion/treatment for patient | There is no facility to find the better suggestion/module in application module | Disappointed with the application module |
|------|----------|---|---|---|--|
